1. Inside Outside (Audiostar / Radio Remix)

inside outside, under my skin
never ending love I don't know where it begins?
I don't know where it ends, I don't know how high
I don't know how deep, I don't know how wide
outside inside around the world
never ending love envelops me like a cloud
I feel you in front, I feel you behind
I feel you up above, and I feel you at the side

and you, you're all over me, you're all over me
your banner is over me, I give it all 'cos

you still captivate me, fascinate me
you still captivate me, saturate me

inside outside, pulling me in
no matter where I run I know you'll never give in
I see you in the storm, I see you in a kiss
I've been around the world and never found a love like
this

and you, you're all over me, you're all over me
your banner is over me, I give it all 'cos

you still captivate me, fascinate me
you still captivate me, saturate me
you still captivate me

you're all over me
you're everything I want to be
I'm all over you, you're everything I want to see
you're all over me

and you, you're all over me, you're all over me
your banner is over me, I give it all 'cos

you, still captivate me, fascinate me
you still captivate me, saturate me
you still captivate me, ohohoh...
hohohoh...
hohohoh...
you celebrate me

4. *Grace Like A River (Album Version)*

mystery of mysteries
that You could love someone like me
in Your hands eternity
and yet You have the time for me
a love so undeserved
You held nothing in reserve
heaven played its symphony
I took Your hand, You rescued me

Chorus
grace like a river
is flowing down
is flowing down
grace like a river
it's flowing down to me

staring at my history
was all alone and never free
the sands of time have let me see
Your faithful shadow next to me
a love so unreserved
I did nothing to deserve
love so free but what's the cost
to carry this old rugged cross

Chorus
grace like a river
is flowing down
sweet and sound
grace like a river
it's flowing down

saving grace
she's like a river
flowing down to me

Bridge
I love you, I thank You
I'm nothing, without Your
grace like a river

Chorus
grace like a river
is flowing down
is flowing down
(all Your) grace like a river
it's flowing down to me

and I'm standing here
is all I want
You're the sweetest thing...
flowing down to...
