Eleven 25 – she said (Single) [2001 Zyx Music / 'Plattenläden'; online]

1. She Said (Snapshot Mix)

she said (she said)
she said (she said)
she said (she said)
she said (she said)

she's dancing in front of me
she's turning 'round and 'round
singing her melody
this is a lovely sound
tango and ice cream
you don't need much
a little bit of cake and a dream
and a simple touch

Chorus
she said I'm ok
she said I'm alright
as long as you stay here by my side
she said I'm ok
she said I'm alright
as long as you stay here by my side

she said (she said)
she said (she said)

like a ball gets stuck in a tree
you can lose your love
like a river ends in the sea
love comes from above
planted and gifted
roots by the riverside
a little bit of faith and you stay connected
to the holy bride

- Chorus –

she said (she said)
she said (she said)

Bridge
she gives me more than I ever had
she holds me when I feel low and sad
she wants me and I want her

- Chorus -

she said (she said)
she said (she said)

she said (she said)
she said (she said)
