Evanescence – bring me to life (the single) [2003 Wind-up Entertainment; EPIC, Sony Music / 'Plattenläden'; online]

1. & 2. Bring Me To Life (feat. Paul McCoy)

how can you see into my eyes like open doors
leading you down into my core
where I've become so numb
without a soul
my spirit sleeping somewhere cold
until you find it there and lead it back home

(wake me up)
wake me up inside
(I can't wake up)
wake me up inside
(save me)
call my name and save me from the dark
(wake me up)
bid my blood to run
(I can't wake up)
before I come undone
(save me)
save me from the nothing I've become

now that I know what I'm without
you can't just leave me
breathe into me and make me real
bring me to life

(wake me up)
wake me up inside
(I can't wake up)
wake me up inside
(save me)
call my name and save me from the dark
(wake me up)
bid my blood to run
(I can't wake up)
before I come undone
(save me)
save me from the nothing I've become

Bridge 1
frozen inside
without your touch
without your love darling
only you
are the life among the dead

Interlude/Bridge 2
all this time I can't believe I couldn't see
kept in the dark but you were there in front of me
I've been sleeping a thousand years it seems
got to open my eyes to everything
without a thought without a voice without a soul
don't let me die here
there must be something more
bring me to life

(wake me up)
wake me up inside
(I can't wake up)
wake me up inside
(save me)
call my name and save me from the dark
(wake me up)
bid my blood to run
(I can't wake up)
before I come undone
(save me)
save me from the nothing I've become

(bring me to life)
I've been living a lie, there's nothing inside
(bring me to life)

2. Farther Away

[guitar solo open]

I took their smiles and I made them mine
I sold my soul just to hide the light
and now I see what I really am
a thief a whore, and a liar
I run to you
call out your name
I see you there, farther away

I'm numb to you - numb and deaf and blind
you give me all but the reason why
I reach but I feel only air at night
not you, not love, just nothing
I run to you
call out your name
I see you there, farther away

try to forget you
but without you I feel nothing
don't leave me here, by myself
I can't breathe
I run to you
call out your name
I see you there, father away

I run to you
call out your name
I see you there, father away
farther away
farther away
farther away

farther away
farther away

[drums solo with guitar background]
[guitar fades out]
