Judy Bailey – extraordinary light (spinning upside down) (the single) [2003 Sound 'n Scripture, Dossenheim / BMG Ariola München GmbH, München / 'Plattenläden'; online]

1. Extraordinary Light (Spinning Upside Down)

(mmh)

just an ordinary day and living isn't easy (no easy)
you can feel the forces tugging you from side to side
people pulling on your strings but you don't even notice
just an ordinary day but extraordinary the light

feeling free, is it a fiction of imagination (oh yeah)
wannabe, but way too logical to lose your mind
maybe less is more and turning cheeks is not so stupid
just an ordinary day but extraordinary light

Chorus

spinning upside down, it's wild and crazy
spinning upside down, it's so amazing
spinning upside down, a world is waiting
if you seek you will find extraordinary light
spinning upside down
spinning upside down

got the gravity and I will never stop exploring (no way)
how the "blessed bes" have power to turn this world
around (world around)
somehow there's perspective rising shining through my
thinking
just an ordinary day but extraordinary light

spinning upside down (ha ha ha...)
spinning upside down (ya)

Chorus

spinning upside down, it's wild and crazy
spinning upside down, it's so amazing
spinning upside down, a world is waiting
if you seek you will find extraordinary light
spinning upside down
spinning upside down

Bridge

more to learn, there's
more to give, there's
more to get, there's
more to life and living
spinning around, yeah yeah

Chorus

spinning upside down, it's wild and crazy
spinning upside down, it's so amazing
spinning upside down, a world is waiting
if you seek you will find extraordinary light
spinning upside down, it's wild and crazy
spinning upside down, you'll find extraordinary light
spinning upside down, a world is waiting
spinning upside down
spinning around, yeah yeah

3. Lessons In Life

lessons in life were tutored by time and taught by the things I see
triggered by truth and driven by You living Your life in me
(why don't you singing?
we go: uh uh...)

You show me life's not what it might seem, what glitters
may not be gold
and what do you earn by gaining the world if you're gonna
lose your soul
(you're singing – go: uh mmh...)
singing again, we go: uh uh...)

money and fame will last for a season
but can't compare with truth and reason
(go: uh mmh)

Your love was the light, the line, the guide distinguishing
want and need
showing all the injustices of this world are founded on fear
and greed
(you're singing – go: uh mmh...)
singing again, we go: uh uh...)

now every day vice like greed can't see that the famine is
in the mind
that the hunger and the thirst will get much worst and
never be satisfied
(you're singing – go: uh mmh...)
singing again, we go: uh uh...)

much will have more, desire will taunt
the more that you get is the more that you want
(you go: uh...)

Chorus
and I see (I see) I see Your way, Lord (see Your way,
Lord)
and I know (I know), I know that it's so much better
living on Your insight, living on Your insight, yeah
(come up – we go: uh mmh...)

now just as you sow you reap I've seen in everything that
I do
and just what you give is what you get coming right back
at you
(you're singing – go: uh mmh...)
singing again, we go: uh uh...)

and we may believe our wrongful deeds are hurting
ourselves alone
but from father to son they're passing down affecting lives
unknown
(you're singing – go: uh mmh...)
singing again, we go: uh uh...)

sold out souls are the scourge of a nation
you cannot sin in isolation
(uh...)

Chorus
and I see I see Your way, Lord
and I know, I know that it's so much better
living on Your insight, living on Your insight, yeah
(uh...)

and I see (I see) I see Your way, Lord (see Your way,
Lord)
and I know (I know), I know that it's so much better
living on Your insight, living on Your insight, yeah
(come up – we go: uh mmh...)
