1. Hold On

everybody needs a friend who cares and holds him
everybody needs someone to believe
everybody needs a shoulder to support him (to support
him)
everybody needs one to share the dream

Pre-Chorus

if you dare to go with me we will win (win, win, win...)
hold on, hold on, believe

Chorus

the sun is shining upon me (upon me)
the sun is still shining over me (over me)
the world keeps turning around me ('round me)
hold on, hold on, believe (just believe it, it, it...)

everybody needs a beacon in the shadow (in the shadow)
everybody needs a starlight in the dark (someone to
believe)
everybody needs to know that there is mercy (that there
is mercy)
everybody needs a touch of God's Love (touch of God's
love)

Pre-Chorus

if you dare to go with me we will win (we will win)
hold on (hold on), hold on (hold on), believe

Chorus

the sun is shining upon me (upon me)
the sun is still shining over me (over me)
the world keeps turning around me (turnin' around me)
hold on, hold on, believe

Bridge

everybody, everybody –
everybody needs someone to believe
everybody, everybody –
everybody needs someone to believe
everybody, everybody –
everybody needs someone to believe
everybody, everybody –
everybody needs someone to believe

Chorus

the sun is shining upon me (shinin' upon me)
the sun is still shining over me (over me, yeah)
the world keeps turning around me (turnin' around me)
hold on, hold on, believe (holding on)

2. Draw Me Closer

[I wanna be with you forever (forever...)
I wanna be with you forever (ever, ever, ever...)]

here I am again before you
falling on my knees
and I sing to you
I wanna be with you forever

and nothing in this world I desire
(is) like your fragrance and consuming fire
I wanna be with you forever

Chorus

draw me closer to your heart
I wanna be with you forever
draw me closer to your heart
I wanna be with you forever

here I am again before you
kneeling crying and tired
I'm singing to you
I wanna be with you forever

my desire is killing me
I'm expecting you to come and rescue me (rescue me)
I wanna be with you forever
(draw me closer)

- Chorus -

Bridge

yes I will take your hand and guide you
on the **paths of life**
don't cry I'm **listening**
I'm **listening**
I hear you
yes I will take your hand and guide you
on my **paths of life**
don't cry I'm **listening**
I'm **listening**
I hear you

I wanna be with you
hold your hand to guide and lead you
I wanna be with you forever
[draw me closer]

- Chorus (2x) -

4. Long For You (Radio Edit)

sometimes I'm crying
I feel like dying
there's a burden on my soul
I want to know you
intimately Lord
deeper closer than I already know

build my desire Lord and fill me up
I'm waiting for you Lord please reign in me

Chorus
and I long for you
and I long for more of you
and I long for you
and I long for more of you

sometimes I'm burning
I crave your presence
I yearn to touch your holiness
with deep devotion
awesome wonder Lord
I dedicate my life to seek your face

build my desire Lord and fill me up
I'm waiting for you Lord please reign in me

- Chorus -

Bridge
want you reign in me
