normal generation? – the power of love (the single) [2003 BMG Ariola; J-Star / 'Plattenläden': online]

1. *The Power Of Love*

Originally performed by Huey Lewis & The News

(power of love...)

the power of love is a curious thing
make a one man weep
make another man sing
change the hawk to a little white dove
more than a feeling
that's the power of love

(power of love...)

tougher than diamonds
bricks like cream
stronger and harder than a bad girl's dream
make a bad one good
make a wrong one right
power of love that keeps you home at night

Chorus

you don't need money
don't take fame
don't need no credit card to ride this train
it's strong and it's sudden and it's cruel sometimes
but it might just save your life
that's the power of love
that's the power of love

at first time you feel it
it might make you sad
next time I feel it
it might make you mad
but you'll be glad, babe
when you've found
that's the power makes the world go 'round

Chorus

and it don't take money
don't take fame
don't need no credit card to ride this train
it's strong and it's sudden
can be cruel sometimes
but it might just save your life

Bridge

they say
that all in love is fair
yeah, but you don't care (but you don't care)
but you know what to do when it gets hold of you
and with a little help from above
you feel the power of love
you feel the power of love
can you feel it?

Chorus

and don't take money
don't take fame
don't need no credit card to ride this train
it's tougher than diamonds and stronger than steel
you won't feel nothin' 'til you feel
you feel the power
you feel the power of love
that's the power
you feel the power of love
you feel the power of love
you feel the power of love
you feel the power of love
you feel the power of love
you feel the power of love
you feel the power of love
you feel the power of love
you feel the power of love

3. *MOG [More Of God]*

Intro/Rap
you know - everywhere you look people wanna tell you
what you have to believe
it's like a big puppet show, where just a few people have
the strings in their hands

let's take the war
some people say it's about oil others say it's about
freedom
I just say: "you don't know the facts"
you don't know what's wrong - what's right
if it's true or (if it's) a pack of lies

you know - I'm just, I'm just
sick of politics - sick of discussing it
even sick of theologies and how they say to live it
I quit it - I spit it, I stop it
I just say we need MORE OF GOD in it!

more of God
yeah, yeah
more of God

I'm sitting here with my head in my hands
this empty feeling in my heart
oh how I hate this having no answer
waiting for a sign from above

Rap:
do you hear me
do you hear what I say
am I living right and am I still on my way

Lord, I pray everyday
won'tcha use my little faith
help me to know you better, better day by day
what's your vision, what's my mission will you guide me
and will I have your provision
I gave my life to you now
I know I will make it
'cause you're the master man and you will not forsake me

Chorus
we need more of you - more of God
we need to know the truth - more of God
we will run and we'll pray all our days
we don't care what they say
more of God

yeah, yeah
more of God
yeah, yeah
more of God

standing here with my faith in my hand
this seed in my life can change the world
overcoming the lies that would drown me
crushing opposition with your tsunami

Rap
understand it's all a big show a fight for fame and gold
the whole media world is trying to win your soul
but I cut myself loose from the strings around my head
a puppet's lost in their muppet-show - I'm outta there,
yeah
I'm free now from the past - God reigns at last
don't need fame, record deals, no MTV broadcast
can a puppet have life? - is show reality?
understand now MORE OF GOD makes ya see!

Chorus
we need more of you - more of God
we need to know the truth - more of God
we will run and we'll pray all our days
we don't care what they say
more of God

yeah, yeah
more of God
yeah, yeah
more of God

Bridge
stand up
arise (arise)
wake up (wake up)
it's time (it's time)
a generation infused with power
a revolution start this hour
a revolution start this hour

Chorus
we need more of you - more of God
we need to know the truth - more of God
we will run and we'll pray all our days
we don't care what they say
more of God
we need more of you - more of God
we need to know the truth - more of God
we will run and we'll pray all our days
we don't care what they say
every day
