1. Heavenbound

I am a stranger here I don't fit in I'm out of place
I am a citizen of heaven and it's obvious to see
That I belong with You

Don't want to settle or get too acquainted with this life
Got to keep on looking up, coz He's coming soon
And then I will be

*Heavenbound, I'll be Heavenbound
Heavenbound, I'll be Heavenbound*

It's not an empty hope or false religious fantasy
It is a promise of my Saviour and it's where I'm going to be
For all eternity

For He will come in glory when the final trumpet sounds
Life as we know it will be swallowed up
And then I will be

2. Good To Me

Holy Lord, I marvel at the things You've done
You've brought me peace
My heart's release
Every day, while all around the darkness plays
I know Your hand is always there guiding me

*Where would I be without Your mercy
What could I do, to repay to You Your gift of life
You have shown me things I could not see
The mystery of perfect love come down to me
Who can I find to compare with You
You're so good to me
So I will sing
Gonna live for You, gonna live for You*

Through my life you've been my faithful friend
I get it wrong, forget my song
Of love and praise for Your faultless ways
But every time You bring me back again

3. Your Love

I come to You
To sit at Your feet
I hear you call
I'm longing to meet You
I lift my face to You
And catch Your eye
Oh how You satisfy

Jesus, Your love surrounds me

Jesus, Your love completes me

Now looking closer
I see the scars
Stories of love
You paid the greatest price
So that I may have life
Thank you my friend
You're showing me once again

No longer searching
I've found the one
Just touched the surface
Only begun
This love goes deeper
Than any I've known

There's nothing like it
There's nothing like it
There's nothing like the love of God

4. Castaway

*"Run John run, the law it says, but gives me neither arms
nor legs,
but better news the gospel brings, it bids me fly and gives
me wings"*
John Bunyan

Look at me I'm a castaway
I'm somewhere I shouldn't belong
I was put here yesterday and there's a man smiling at me
I said, "Why am I here, when You are so holy
I will never hit the mark".
He said, "Yes, this is true, but my friend, I've done it
instead".

*Run, run, run, the law it beckons me, but gives me no
limbs
Fly, fly, fly, Your gospel bids to me
And lovingly, gives me some wings
So I will fly, held on the wind of grace
That teaches me when to say yes and say no
And I will rise on eagles wings
You're helping me win the prize
But always with love in Your eyes
Love in Your eyes*

Look at me on a journey now
The road looks narrow ahead
But each time that I lift my eyes
I feel a hand steadying me
I said, "Teach me Lord, that I may be holy, with silver and
gold I must build".
He said, "All that I've started in you, I'll see to the end".

5. I'll Wait For You

You went away
Yesterday
With something to prove
Set your path
Sailed away
Far away
And there you entertained danger
Suffered at the hand of a stranger
And now you can't see a way home
This is not what I designed for you

But I'll wait for you
Yes I'll wait for you

Now looking back
All the times
You would talk to me
And I look
Out for you
Every day
But you are too ashamed
To lift your head up
Look me in the eyes and
Tell me that you still want me
I will love you whatever you have done

I've got a ring my daddy gave me
I'll put it on your finger
And a coat to keep you warm,
I've got a pair of comfy shoes
You can put them on your feet
And I'll prepare for us a feast

6. Come To Me

Come to me you weary
Weak and heavy laden
Come to me and I will give you rest
Come if you are tired
Tired of the struggle
Come to me and I'll refresh your soul
Come if you are lonely
Come if you are grieving
Come to me and I will give you hope

*For my burden is light
Come into my rest today
Let your worries melt away
My burden is light
My peace is everlasting
I'll comfort you and hold you*

Come if you are anxious
Scared about tomorrow
Come to me and I will bear your load
Come if you are hurting
Broken and alone
Come to me and I will be your shield
Come if you're regretful
Ashamed of your past
Come to me and I will wash you clean

*Don't you know, haven't you heard
I'm the everlasting God?
I won't tire, I won't faint
And you're living in my grace
You can run, you can soar
Rising up on eagles wings
Put your hope in the King*

And He'll renew your strength

7. The Cross

I see you hanging there, nailed to a splintered wooden beam
Drinking pain and sorrows, breathing agony
And in those dark, dark hours as life drained from your flesh and bones
I know my life had it's beginning at your cross
And I thank you

*For the cross where you bled
For the cross where you died
For the cross where you've broken Satan's back
For the cross where you won
For the cross of victory
For the cross where you paid the price for me*

You were my substitute in laying down your life for mine
Being cursed and bearing God's wrath for me
You were crushed by my sin. Your punishment has brought me peace
And by the wounds you suffered I'm alive and healed
And I thank you

Two days in the grave then you rose up from the dead
Now you reign in glory, rule in righteousness
And I was raised up with you, free at last from all my sin
Safe forever in the home of my King
And I thank you

8. Faint

When my heart is faint within me
And my troubles multiply
I will lift my head to see You
Seated at the Father's side
You have triumphed over Satan
You're the first born from the dead
You are always interceding
You are able now to save

*You are Jesus Christ, faithful One
Risen King, Champion.
You deserve the highest praise,
The Lamb of God
Who once was slain for our sin*

In my heart I am persuaded
As the Spirit testifies
And with glory and rejoicing
'Abba Father' is my cry
You have raised me up with Jesus
And in Him I am Your son
So I glory in Your goodness
In the things that You have done

9. High Over All

There is a name that's high over all
There is a King seated on the throne
And He's interceding for me
So that I will be made holy
And I know that in His love I will stay

*What a Saviour is my Jesus
He came down
So that I may go free
How I love you
Oh my Jesus
You came down
So that I may go free*

There is a man who walked on the earth
The Word of God made known to us
He's the image of the Father
The firstborn over creation
Yet He suffered at the hands of those he saves

10. There Is A Day

There is a day
That all creation's waiting for
A day of freedom and liberation for the earth
And on that day
The Lord will come to meet his bride
And when we see Him
In an instant we'll be changed

The trumpet sounds
And the dead will then be raised
By His power
Never to perish again
Once only flesh
Now clothed with immortality
Death has now been
Swallowed up in victory

*We will meet Him in the air
And then we will be like Him
For we will see Him, as He is
Oh Yeah!
Then all hurt and pain will cease
And we'll be with Him forever
And in His Glory we will live
Oh yeah! Oh yeah!*

So lift your eyes
To the things as yet unseen
That will remain now
For all eternity
Though trouble's hard
It's only momentary
And it's achieving
Our future Glory
