Sarah Brendel – take my heart (Single) [2003 ZYX Music / 'Plattenläden'; online]

1. Take My Heart

justify every time my heart's bleeding
testify that every lie was ever needed
take for sure
and be secure
that death holds the secret of life

Chorus

take my heart
save my soul
secrecy's the seal
take my heart
save my soul
love is still unreal
till the end I fear
our love's just a line in a poets dream
at the end I face
that this sonnet of death is our destiny

verify this goodbye
is forever (forever...)
versify your desire
now or never (now or never)
take for sure
and be secure
that death holds the secret of life
(mmh, yeah)

Chorus

take my heart
save my soul
secrecy's the seal
take my heart
save my soul
love is still unreal (save my soul)
till the end I fear
our love's just a line in a poets dream
at the end I face
that this sonnet of death is our destiny (destiny)

[Instrumental-Bridge]

Chorus

take my heart (take my heart)
save my soul (save my soul)
secrecy's the seal (secrecy's the seal)
take my heart (take my heart)
save my soul (save my soul)
love is still unreal (love is still unreal)
till the end I fear
our love's just a line in a poets dream (poets dream)
at the end I face
that this sonnet of death is our destiny
till the end I fear
our love's just a line in a poets dream
at the end I face
that this sonnet of death is our destiny
