Stacie Orrico – "I could be the one" (Single – GB CD2) [2004 Forefront Records; Virgin Records UK / online]

1. & 4. I Could Be The One (Album Version & Enhanced Video)

I could be the one
I could be the one

I wonder who, I've got to be
for You to wanna use me
I do not always have just the right words to say

but You've taught me simple things
that I'd love the chance to bring
to a world of people who just simply need You

Bridge
doesn't matter where I'm from
where I am
how far I've come
doesn't matter where I live
or what I have
You want my life
doesn't matter who I know
or what I've done
You take it all
You want me as I am

Chorus
I could be the one
someone You're looking for
I don't have much to give
Lord, I'm ready
and through You
I could be the one
whatever You want me to do
I will hold on to
what You say can be done
I could be the one

it is amazing to see
that You'll chose people like me
who get off track, fall, crashin' down to the ground
but that's when You pick me up
and show Your strength is enough
You can use a broken heart to heal a broken life

- Bridge -

Chorus
I could be the one
someone You're looking for
I don't have much to give
Lord, I'm ready
and through You
I could be the one
whatever You want me to do
I will hold on to
what you say can be done

Chorus
I could be the one
someone You're looking for
I don't have much to give
Lord, I'm ready

and through You
I could be the one
whatever you want me to do
I will hold on to
what you say can be done
I could be the one

bright, bright
shooby-doop, shooby-doop
bright, bright
shooby-doop, shooby-doop-doop
bright
You take the crazy things
You take the weakest things (bright)
You use the foolish things
to show Your glory
Lord take my broken heart
take all of my mistakes
please take all of me
I want to show how great You are (oh yeah)

Chorus
I could be the one
someone You're looking for
I don't have much to give
Lord, I'm ready
and through You
I could be the one
whatever you want me to do
I will hold on to
what you say can be done
I could, I could be the one
someone You're looking for
I don't have much to give
Lord, I'm ready
and through You
I could be the one
whatever you want me to do
I will hold on to
what you say can be done
I could be the one

(if You say)

2. Stuck (Earthlink Live)

Stacie Orrico:
this is called 'stuck' and I need you to sing with me, ok?!

I can't get out of bed today
or get you off my mind
I just can't seem to find a way
to leave the love behind

Bridge 1

I ain't trippin'
I'm just missing
audience: you know what I'm saying
you know what I mean

you keep me hanging on a string
why you make me cry
I tried to give you everything
but you just gave me lies

- Bridge 1 -
yeah

Bridge 2
every now and then
when I'm all alone
I've been wishing you would call me on the telephone
say you want me back
but you never do
I feel like such a fool
there's nothing I can do
I'm such a fool
for you

Chorus 1
I can't take it
what am I waiting for?
my heart's still breaking
I miss you even more
and I can't fake it
the way I could before
I hate you but I love you
I can't stop thinking of you
it's true
audience: I'm stuck on you

now love's a broken record that's
been skipping in my head
I keep singing yesterday
why we've got to play these games we play?

- Bridge 1 -

Bridge 3
every now and then
when I'm all alone
I'll be wishing you will call me on the telephone
say you want me back
but you never do
I feel like such a fool

- Chorus 1 -
uh... I...

- Bridge 2 -
uh, yeah

Chorus 2
and I can't take it
what am I waiting for?
my heart's still breaking
I miss you even more
and I can't fake it
the way I could before
I hate you but I love you
I can't stop thinking of you
I can't stop thinking of you
don't know what to do
I'm stuck on you

3. Tight (Earthlink Live)

speaker: please welcome miss Stacie Orrico!

[applause]

I dreamed,
I was headed down to Puerto Rico
now I'm feeling like that I really gotta go
'cause I really wanna get away and spend some time with
You
to get away
'cause my life is getting kinda crazy
and the only way to make it is to pray
that's why I'm really gotta get away and spend some time
with You

Chorus
or maybe
(maybe; 'cause I)
I never wanna get down, never wanna let You down
(I'm thinking, once I)
maybe once I get away, maybe put my thoughts aside
(You save me) You save me
(thank you) always
(now I)
(live my life) just for You
some say that I pray it everyday
and I know You'll gonna always say
only You can keep us tight (tight)
so I pray with all my might
some say that I pray it everyday
and I know you'll gonna always say
only You can keep us tight
so I pray with all my might

at times,
when I'm running with my crew and on the run
and I'm kicking it all day and having fun
and we know that we should really go and spend some
time with You
my mind, it was saying I take on You
so when I'm down and feeling kinda blue
there's a word in my heart that I really wanna say to you

Chorus
or maybe
(maybe; cause I)
I never wanna get down, never wanna let you down
(I'm thinking, once I)
maybe once I get away, maybe put my thoughts aside
(You save me) and I thank you
(I thank You for all)
(now I)
(live my life) just for you
some say that I pray it everyday
and I know You'll gonna always say
only you can keep us tight
so I pray with all my might
so I say I'm gonna pray it everyday
and I know You'll gonna always say
only you can keep us tight
so I pray with all my might
some say I pray it everyday
and I know You'll gonna always say

only you can keep us tight (tight)
so I pray with all my might
some say that I pray it everyday
and I know You'll gonna always say
only you can keep us tight
so I pray with all my might

Bridge

we came here so we can rock the house
blow it up and turn it out
make you dance, make you dance
party up when you're getting me down
baby, baby we can rock the house

turn it up and blow it out
make you dance, make you dance
Stacie Joy Orrico can we rock the house

(Stacie Orrico: are you doin' ok?...)
