Stacie Orrico – I promise (the single) [2003-2004 Forefront Records, Virgin Records / 'Plattenläden'; online]

1. I Promise (Video Version)

will I always be there for you
when you need someone
will I be that one you need
will I do all my best to, to protect you
when the tears get me all right
will I be the one that's by your side

Chorus

will I be there when you call me in the middle of the night
will I keep the rain from falling down into your life
(I promise) I promise
(I promise)
I promise I will

will I take tender care of you
take your darkest night and make it bright for you
will I be there to make you strong
and to lean on
when this world has turned so cold
will I be the one that's there to hold

- Chorus (2x) -

Bridge

yeah
and I love you more everyday
and nothing will take that love away
when you need someone
I promise I'll be there for you (there for you)
I promise

- Chorus -

and I promise (and I promise)
I promise (oh I promise you)
I will be there when you call me (when you call me)
I promise (I promise)
I promise I will

2. Stuck (Acoustic Version)

I can't get out of bed today
or get you off my mind
I just can't seem to find a way
to leave the love behind

Bridge 1

I ain't trippin'
I'm just missing
you know what I'm saying
you know what I mean

you keep me hanging on a string
why you make me cry
I tried to give you everything

but you just gave me lies

- Bridge 1 -

Bridge 2

every now and then
when I'm all alone
I've been wishing you would call me on the telephone
say you want me back
but you never do
I feel like such a fool
there's nothing I can do
I'm such a fool
for you

Chorus 1

I can't take it
what am I waiting for?
my heart's still breaking
I miss you even more
and I can't fake it
the way I could before
I hate you but I love you
I can't stop thinking of you
it's true
I'm stuck on you

now love's a broken record that's
been skipping in my head
I keep singing yesterday
why we've got to play these games we play?

- Bridge 1 -

Bridge 3

every now and then
when I'm all alone
I'll be wishing you will call me on the telephone
say you want me back
but you never do
I feel like such a fool

- Chorus 1 -

- Bridge 2 -

uh, yeah

Chorus 2

I can't take it
what am I waiting for?
my heart's still breaking
I miss you even more
and I can't fake it
the way I could before
I hate you but I love you
I can't stop thinking of you
I can't stop thinking of you
it's true
I'm stuck on you, yeah
