Stacie Orrico – (there's gotta be) more to life (the single) [2003 Forefront Records; Virgin Records / 'Plattenläden'; online]

1. (There's Gotte Be) More To Life

yeah...ooo....

I got it all but I feel so deprived
I go up, I come down and I'm emptier inside
Tell me what is this thing that I feel like I'm missing
and why can't I let it go?

Chorus
there's gotta be more to life...
than chasing down every temporary high to satisfy me
'cause the more that I'm...
trippin' out thinkin' there must be more to life
well it's life, but I'm sure... there's gotta be more

(than wanting more)

I've got the time and I'm wasting it slowly
here in this moment I'm half-way out the door
onto the next thing, I'm searching for something that's
missing

- Chorus -

I'm wanting more

I'm always waiting on something other than this
why am I feelin' like there's something I missed....
always... always...

- Chorus (2x) -

more to life
there's gotta be more to life (more to life)
there's gotta be more to life (more)
more to my life

2. Stuck (Barry Harris & Chris Cox Remix Radio Edit)

(record skipping
record skipping
record skipping
record skipping)

I can't get out of bed today
or get you off my mind
I just can't seem to find a way
to leave the love behind

Bridge 1

I ain't trippin'
I'm just missing
you know what I'm saying
you know what I mean, yeah

you keep me hanging on a string
why you make me cry
I tried to give you everything
but you just give me lies

- Bridge 1 -
you know what I'm saying
you know what I mean, yeah
you know what I mean, yeah
you know what I mean, yeah
you know what I mean, yeah, yeah, yeah...

Bridge 2
every now and then
when I'm all alone
I've been wishing you would call me on the telephone
say you want me back
but you never do
I feel like such a fool
there's nothing I can do
I'm such a fool
for you...

Chorus
I can't take it
what am I waiting for?
my heart's still breaking
I miss you even more
and I can't fake it
the way I could before
I hate you but I love you
I can't stop thinking of you
it's true
I'm stuck on you

now love's a broken record that's
been skipping in my head
I keep singing yesterday
why we've got to play these games we play?

- Bridge 1 -

- Bridge 2 -

Chorus
I can't take it
what am I waiting for?
my heart's still breaking
I miss you even more
and I can't fake it
the way I could before
I hate you but I love you
I hate you but I love you
I hate you but I love you
I can't stop thinking of you
it's true
I'm stuck on you...

3. Star Of My Story

You are the star of my story
every page of my life is dedicated to You
with all the fame and the glory
You are the star, the star of my story

You made it happen
I'm living a dream and it's all 'cause of You
yes, You are my passion
the soul and the fire in all that I do
You earned every standing ovation, yeah
red carpet night so there You are
You are my inspiration (inspiration), yeah
they call on my name, but You are the star

Chorus
You are the star of my story
every page of my life is dedicated to You
with all the fame and the glory
You are the star, the star of my story

(You are the star of my story)
of my story, of my story

hey, You made it happen
You lifted me up for the whole world to see
rolled the cameras, said action
and the next thing I knew I have the world at my feet
You hold my star in the sky, yeah
yeah, yeah, yeah; You put my name up in lights and I
want

I want the world to know Your name
because to me You'll always be my star

Chorus
You are the star of my story
every page of my life is dedicated to You
with all the fame and the glory
You are the star, the star of my story

Bridge
You are the light
yes, I know that You do it for me
that makes me shine
every breath that I take; every word that I say
You're here every night
yeah, You're working through my life

(Oo Oo!) {repeat 12x}

Chorus
You are the star of my story
every page of my life is dedicated to You
with all the fame and the glory
You are the star, the star of my story

You are the star of my story
yeah, You
You are the star of my story
yeah, You
You are the star of my story
yeah, You
the star, the star, the star
yeah, You...
